FIRE CHIEF **HUGH D. OWENS, JR.**

A knowledgeable and experienced fire safety instructor specializing in the coordination of company drills, multiple company drills and multi-jurisdictional drills utilizing NIMS/ICS.

In addition to an intense enthusiasm for safety education, he applies the newest and most efficient solutions for a prompt response in the excavating, rescue, and care of victims with multiple and diverse injuries involved in a realistically simulated, multiple vehicle crash.

Hugh also facilitates drug and alcohol awareness and prevention programs with area schools and institutions such as Prom Promise®.
