Fisherman's INN

A dining landmark since 1930 for lunch and dinner. Our menu features only the freshest crabmeat for our award winning crabcakes, fish, oysters, shrimp, and clams. For the landlubber we have New York Strip, Filet Mignon and slow roasted Prime Rib, or try our "Surf & Turf Combos". Spacious dining rooms command a panoramic view of the water. Enjoy the unique collection of oyster plates, old carved duck decoys, artifacts, giant ship models and larger than life murals while a miniature train runs overhead.
